What are the three most important values for you?

- Honesty
- Honor
- Faithfulness

The best day in your life:

- For me today as long as its today is the best day of my life because its filled with great potential and countless opportunities.

The worst day in your life:

- The worst day for me would be the day I forget who I am as there is no event that can influence me to the point that I call a day bad.

What would you change in you life?

- I would change the way I think on a daily basis.

What would you change in contemporary world?

- I would change a lot of things, I would change the education system so that it enable, the learners be independent and creative thinkers.

Your biggest fear is...

~~I don't thin~~

- I am not conscious of any.

Where do you see yourself in ten years?

- In 10 yrs I ~~will~~ see my self owning and running a self sustaining business and training people to build business, be self sufficient, ^{reliant} and creative thinkers.

What's your talent?

- Writing, ~~public speaking~~
- Soccer
- Public speaking.

What's your definition of happiness?

→ Happiness is relative, so my definition of happiness is a state of being content and at peace.

Which part of the day is your favourite? (Why?)

- The night time. I love the night because its quiet and peaceful and I can be productive with ^{very few} ~~distractions~~ and distractions.

What is your best childhood memory?

- When I single handedly repaired a broken electric switch for the first time.

What is your worst childhood memory?

- When I saw my friend get
knocked down by a vehicle.

What would you like to achieve in your life?

- I would love to come up with
creative ideas to help families
cope with the hard economic times
by being self-reliant and sustain
themselves using their available
resources.

How important are stories for you (and why)?

- stories are very very important to
me. They are important because
they remind a people of who they
are, where they are from and
through stories important skills
and ways of doing things are
passed on to people or a generation.
It is through stories that beliefs
are shaped and these beliefs shape
human life

Here you can draw or write everything you want:

- Nearly all the problems the world
is facing right now can be solved
if people begin to think, are daring
enough to ask questions, question
everything, think for themselves and
think outside the box.
