What are the three most important values for you?

Honesty
Integrity
Respect

The best day in your life:

When I joined college to do my most valued course. (Accounts)

The worst day in your life:

When I lost my beloved mother

What would you change in you life?

I would change my living status to something worth better of.

What would you change in contemporary world?

I would change people personality and attitude towards slum children.

Your biggest fear is...

Losing my only loving brother.

Where do you see yourself in ten years?

In my own home, living comfortably and financially stable.

What's your talent?

Acting and speech writing

What's your definition of happiness?

A great feeling of peace and being at ease.

Which part of the day is your favourite? (Why?)

Night because of the silence and only the sounds made by the animals.

What is your best childhood memory?

When I first learnt ^{how} to cook

What is your worst childhood memory?

When I first lost my tooth

What would you like to achieve in your life?

To give my only brother a life
he deserves and able to give out
a helping hand to any one in need

How important are stories for you (and why)?

They are very important because I get
to learn alot from different personal
stories and learn from them.

Here you can draw or write everything you want:

I love my brother

I love my grandmother

I love mathematics

I love music

I love my life

I would go miles for my brother just to see him smile.

It comes a time in life that you lose the most important people in your life, you go grieving but someday it will come to pass and you will move on.

Crying does not show weakness of one's self but it shows a pure heart.
